*Handwritten:* 13th January, 1910.

To His Excellency,

The Governor General in Council.

*711*  
The undersigned has the honour to report that Mr. Abraham Snyder made homestead entry for the N.E. 1/4 of Section 18, Township 43, Range 10, East of the Fourth Meridian, by proxy, such proxy being his daughter, Miss Annie Snyder. Miss Snyder went into residence on the quarter section and made improvements of some value, but her father was unable, through physical disability, to join her and the entry was, in consequence, cancelled in accordance with the regulations.

Miss Snyder has made application for homestead entry for the quarter section, but she is not eligible and her father could not be granted re-entry since to the fact that he is not at the present time able to go into residence or perform the required settlement duties.

The undersigned is of the opinion that Miss Snyder's claim to the land should be recognized and he, therefore, recommends that the title be authorized to her as the N.E. 1/4 of Section 18, Township 43, Range 10, East of the Fourth Meridian, at the rate of \$3.00 per acre, subject to the performance of the homestead duties, as prescribed by the Dominion Lands Act.

Respectfully submitted,

The Minister of the Interior states, under date the 13th January 1910, that Mr. Abraham Snyder made homestead entry for the N.E.¼ of Section 12, Township 43, Range 10, West of the Fourth Meridian, by proxy, such proxy being his daughter, Miss Annie Snyder, who went into residence on the quarter section and made improvements of some value, but her father was unable, through physical disability, to join her and the entry was, in consequence, cancelled in accordance with the regulations.

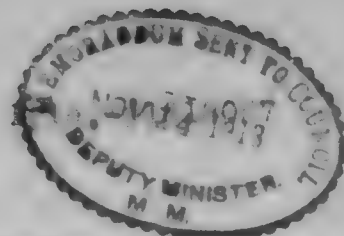

The Minister further states that Miss Snyder has made application for homestead entry for the quarter section, but she is not eligible and her father could not be granted re-entry owing to the fact that he is not at the present time able to go into residence and perform the required settlement duties.

The Minister is of the opinion that Miss Snyder's claim to the land should be recognized and he, therefore, recommends that the sale be authorized to her of the N.E.¼ of Section 12, Township 43, Range 10, West of the 4th Meridian, at the rate of \$3.00 per acre, subject to the performance of the homestead duties, as prescribed by the Dominion Lands Act.

The Committee submit the same for approval.

*Rodolph Rouin*  
Clerk of the Privy Council.

The Honourable  
The Minister of the Interior.

6th November, 1913.

The undersigned has the honor to report that by Order-in-Council dated the 1st of January 1910, it was ordered that in view of the residence performed and improvements made upon the North West quarter of Section 15, Township 45, Range 15, West of the 4th Meridian, by Miss Annie Snyder, she should be permitted to purchase the quarter-section in question at the rate of three dollars per acre, subject to the performance of the homestead duties as prescribed by the Dominion Lands Act.

Miss Snyder agreed to purchase the land at the price named.

The undersigned further submits that it has been represented that Miss Snyder has fulfilled the residence and cultivation requirements of the Act, and that she has made improvements upon the land valued at \$555.00.

It has been also represented on Miss Snyder's behalf, that her father and mother are dependent upon her for support, and that they will continue to be a burden to her for the rest of their natural lives, the father having been very badly injured, and will consequently be unable to work in the future.

An official of the Department looked into this case and his report shows that Miss Snyder has done more than sufficient residence and other duties on this land to entitle her to patent therefor.

In view of all the circumstances of this case, the undersigned recommends that the Order-in-Council of the 1st of January, 1910, be rescinded, and that authority be given to grant Miss Snyder homestead entry for the quarter-section in question on payment of an entry fee of ten dollars only, and that she be permitted to patent the land upon proof being furnished in the ordinary way that the homestead conditions of the Dominion Lands Act have been fulfilled.

Very respectfully,

Minister of the Interior.

Joint Relief Agreement

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated January 10, 1954, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

Dear Sir:

Re: SW 7-4-8-W, 4th.

Joint Relief Advances

The above party obtained the following Joint Relief Advances giving as security liens on title to the land above described.

|                                 | <u>449.36</u> |

The debtor has approached this office with a view to arranging settlement of the indebtedness outstanding. He is a man in advanced years and is endeavouring to have his affairs placed in order at this time.

In his first contact with this office Mr. Mitterf was very emphatic in asserting that this debt was not a legitimate charge. He maintains that he never received these advances and submits that the levy against him was due to inefficiency on the part of the authorities of the Municipal District.

The land in question has not been occupied by Mr. Mitterf for some considerable time and the revenue derived therefrom by him has been meagre. This parcel is located in that part of the province where awards under the Prairie Farm Assistance Act have been made in nine of the past thirteen years and the present assessed value of same is Five hundred and fifty dollars (\$550.00).

The debtor has tendered the sum of One hundred and thirty-four dollars and twenty-three cents (\$134.23), representing the principal sum of the advances, for release of the relative liens.

In view of the circumstances it is my opinion that the offer should be accepted. I therefore, recommend that the account be so adjusted that upon cancellation of the sum of One hundred and thirty-four dollars and twenty-three cents (\$134.23) the account will be satisfied in full.

Provincial seed grain advances in the amount of \$102.06 together with accrued interest have already been cancelled.

Yours very truly,

J. H. Gedrick  
 Chief Collector

OTTAWA, 15th March, 1929.

Sir,-

N.E. 4 Sec. 6 Tp. 8 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for a grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

MEMORANDUM:-

The Agent of Dominion Lands at Edmonton encloses an application made by Mr.N.D.Fleet to purchase the fractional S.E. $\frac{1}{4}$  of Section 3, Township 49, Range 28, West of the Fourth Meridian. The applicant states that he has purchased the adjoining S.E. $\frac{1}{4}$  of Section 1, from the Canadian Pacific Railway Company.

The Agent also submits an application from Mr.J.Fleet to purchase the fractional N.E. $\frac{1}{4}$  of the same section.

The land applied for by Mr.N.D.Fleet shown pink on the township plan, annexed hereto, and that applied for by Mr.J.Fleet, shown blue, are vacant in the records of this Branch as well as in those of the Timber, Grazing and Irrigation Branch, and the Mines Branch, but appear on the list sent to the Agent of Dominion Lands on the 1st September last as "disposed of", evidently, however, through inadvertence, as the Railway Lands Branch now reports that the parcels are clear.

The land which Mr.N.D.Fleet states he owns, and which was patented to the Canadian Pacific Railway Company is shown hatched in green on the plan, and Mr.J.Fleet's homestead, (patented to him), hatched in black.

Commissioner of Dominion Lands.

A dashed line represents the theoretical relationship  $M = 1/N$ . A solid line represents the experimental data, which follows the theoretical line closely for  $N$  values between 1 and 10, then deviates downwards for  $N$  values greater than 10. The data points are marked with dots and labeled with  $N$  and  $M$  values.

I have cleared of dense thick brush. The G.T.P. Railway Co have drained a lake  $\frac{1}{2}$  mile west of here in order to prevent their grade from washing away and have run several blind ditches onto my land & the land adjoining my property. Mayor Lawrence has promised he will run an outlet so I can drain my Homestead. I am so poor that I cannot possibly do any more than I have done.

Sir:

Referring to your letter of the 6th December last addressed to Mrs. Cora Baker at Moneta, California, U.S.A., and here of the 26th November, it is noted therefrom that the land has been vacant for some years and that the original Licence is dead.

According to Abstract of Title dated 22nd July, 1927, it is noted that a caveat was lodged by the Department of Municipal Affairs under the Tax Recovery Act.

Under the circumstances I am to advise that future Annual Statements will not be issued pending re-establishment of title to the S.W. 1/4 or re-entry to the N.W. 1/4 subject to the assumption of the indebtedness amounting to \$652.01 - interest computed to the 31st March last.
